### **\*\* ADDITIONAL INFORMATION \*\***

The grade of the competitor for the 2017-2018 school year will be used for competition purposes throughout the 2017-2018 competition season for all divisions.

Sc reserves the right to split, combine and/or omit any division based on enrollment prior to events.

**Spotters:** Due to the complexity of team choreography, Spirit Celebration will NOT provide spotters on the competition floor. All teams may elect to provide their own spotters on the competition floor. If a spotter assists a stunt more than spotting for safety, a penalty may be assessed. Spotter must be dressed differently from cheerleaders on the floor.

Each routine must be 2 minutes and 30 seconds or under in length and include both a cheer and dance portion. Music may be used for entire routine or just a portion of it.
